Program Description			
<p>AtoZ provides tailored one on one tutoring in the comfort and convenience of your home. If your home is not the most convenient place our tutors will come to your child's school, a public library or community center. Our schedule is flexible to meet your tutoring needs. Our tutors work 7 days per week until 8pm including holidays, so you tell us when and where and we will be there! We give your student the individualized attention they need with a tailored education plan that is recommended by the teachers and the content specialist of the District of Columbia Schools. We understands the classroom challenges students with learning disabilities face on a daily basis. From students with reading problems, ADD/ADHD, auditory processing problems to those who are formally diagnosed as learning disabled, we will find the right tutor and right plan for each child. Let us work for you, One on One Tutoring is SIMPLY THE BEST!</p>
